

Financial Policy

Thank you for choosing Steinway Family Dental Center. Our primary goal is not to allow the cost of treatment to prevent you from benefiting from the quality care you need or desire. In our office, we strive to maximize your insurance benefits and make any remaining balance easily affordable. With that in mind we offer our patients payment options to help ease the process.

We accept the following forms of payments: Cash, Visa, MasterCard, American Express or Discover Card. Our office also offers Convenient Monthly Payment Options through: *Care Credit Healthcare/Citi Health Care/Lending Club*, which allows you to pay over time (Up to 84 months extended payment plans).

Steinway Family Dental Center requires payment at the beginning of your treatment. If you choose to discontinue care before the treatment is complete, you will receive a refund less than the cost of care that was already received.

For plans requiring multiple appointments, alternative payment arrangements may be provided.

As a courtesy, we will gladly process any insurance claims necessary, however we cannot guarantee any estimated coverage. All incurred charges are ultimately the responsibility of the patient regardless of insurance coverage and are due within 60 days of service.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.

I have read the above conditions of treatment and payment and agree to their content.
